GeneralAire® AC
Air Cleaners

AC Series Air Cleaners
Residential Whole-House (GFI #4422 & 4424)

Breathe Healthier

Remove Harmful Particulates From Indoor Air.

Studies have shown that removing harmful particulates from indoor air can have a positive impact on many chronic health conditions that include allergies and asthma. Protect your family's health by installing a quality GeneralAire® Air Cleaner.

How The AC Series Works:

As air from your furnace passes through the Air Cleaner, particulates are captured within the fibers of the filter media. The air leaving your air cleaner is healthier and safer for your family.

Details inside or go to: www.generalfilters.com/ACSeries

Maintenance

Maintenance of your new GeneralAire® AC22 & 24 air cleaners are minimal. To ensure peak performance and reliable operation, simply replace your filter media when gauge indicates (once every 6-12 months). Go to www.generalfilters.com to watch a video about how to change your filter (support center / video library).

Install An Air Cleaner In Your Home To:

Improve Your Health:

Studies show poor indoor air quality is linked to heart disease, high blood pressure, cancer, diabetes, asthma, Alzheimer's, and many more chronic diseases. Ensure good health with a quality air cleaner.

Reduce Allergy Symptoms:

Pollen is a major allergen that can cause miserable symptoms such as a runny nose, itchy eyes, sneezing and more. Skin flakes, urine and saliva from pets can all become airborne.

Why A Whole-House Unit?

- Treats Your Whole House 24 / 7 / 365
- Requires Minimal Maintenance
- Out of Site
- Quiet

GENERAL FILTERS
INCORPORATED

GeneralAire® AC
Air Cleaners

AC Series Air Cleaners
Residential Whole-House (GFI #4422 & 4424)

Pleat Spacers (6)

Filter Media

- MERV 11
- 97% efficient by weight of airborne particles ranging as low as 0.01 microns.
- Anti-tear expandable media

G-99 Air Filter Gauge

Conveniently Built Into the Door

GeneralAire® offers an easy-to-use, easy-to-read air filter gauge that provides a visual indication of the need to replace your air filter. As the air filter media loads with airborne particulates, the gauge indicator arm will rise, telling you it's time to change your filter.

Door

- Reliable "Snap Action"
- ThermoPlastic molded door.
- Easily removed for filter media replacement.
- Built to last.

Pleated Filter

- Ensures consistency of air flow throughout the whole filter, and that particulates are captured no matter where throughout the filter they may pass.
- Provides:
 - 72.3 sq. ft. Filter Area (AC24)
 - 77.1 sq. ft. Filter Area (AC22)

Replacement Filter Media

Replace Annually

AC 22

- GFI #4001 12758 - MERV 11

AC24

- GFI #4051 401-13156 MERV 11
